# MEET PARL!

The Providence Animal Rescue League (PARL) is a private, non-profit, 501(c)(3) organization founded in 1913. PARL serves communities throughout Rhode Island and beyond. Our mission is to provide for the rescue and relief of suffering or homeless animals and perform charitable or benevolent acts for the welfare of animals.

PARL's mission is accomplished by providing appropriate shelter and humane care for homeless animals, seeking permanent responsible homes for adoptable animals, reducing pet overpopulation through strict spay/neuter measures, and providing a diversity of humane education programs to meet community needs. It receives no federal or state funding and rely solely on donations from generous individuals, businesses, and foundations to support its programs and services.

We believe that we will only help animals by working proactively and compassionately with people. In order to achieve this, we provide an understanding and caring environment for all community members seeking our services; whether they are surrendering a pet, adopting, or utilizing our low-cost services.

Visit Us:

## The 2018 Rhode Island Firefighter Calendar For the Providence Animal Rescue League

With this calendar, we celebrate the most iconic caregivers in our communities, our firefighters, who from the time we were little kids and would hear and see the bright red or yellow trucks screaming through the streets, we knew they were special kinds of heroes.

They are at the center of the most devastating events in our lives, whether a medical emergency or a building fire. Firefighters become our hope and saviors, and those who ever been helped in some way by a firefighter feels a special bond and sense of appreciation for him or her.

Sometimes firefighters are called upon to help some of the most vulnerable among us – our pets. And when they do, we feel a sense of relief beyond compare. From the sale of each calendar, \$5 will go directly to the Providence Animal Rescue League.

Many thanks to all of the pets who posed with us, their caretakers, Cat Country Radio and Primecut at Mezzo.
